Rajendra Institute of Medical Sciences

An Autonomous Institute under the Govt. of Jharkhand

Ranchi, Jharkhand

1. INTRODUCTION :

The Rajendra Institute of Medical Sciences (RIMS) is a premier Medical Institute located at Ranchi, the capital of Jharkhand. The college is an autonomous body established under an act of Jharkhand Assembly. The institute was

established in 1960 and was originally called Rajendra Medical College Hospital after Dr. Rajendra Prasad, the first President of India. The Medical College Hospital came into existence in February 1965 and has excelled ever since its inception. The motto of the institute is **"Sarve Santu Niramayah"**. RIMS Ranchi has a very large and spacious campus. It has a 2000 bedded facility with multi-speciality hospital with state of art equipment. The institute is a tertiary care centre that has excellent infrastructure for patient care as well as opportunity to acquire knowledge and skills from experienced faculties. The environment around the hospital is soothing and patients are treated using state of the art techniques. The college also has a 100 bedded Trauma Centre, the first of its kind in Eastern India with most modern equipment. Under PMSSY scheme, a 240 bedded Super Specialty block deals with the patients in the field of Oncology, Cardiology, Urology, Paediatric Surgery and Cardio-thoracic Vascular Surgery was established. The Dental Institute, RIMS, Ranchi was founded in the year 2017 and is the first autonomous Dental College of state government in Jharkhand. RIMS conducts teaching program in medical, dental and para-medical courses. Besides undergraduate courses, post graduate courses and super-speciality courses are offered in various disciplines. RIMS is affiliated to Ranchi University. RIMS also runs a school and college of nursing.
