Information for abstract submission:

Soft copy of abstract for oral/poster presentation should be submitted till **Monday, 21st October, 2024, 11.00 pm** as PDF file on E-mail Address: drprojha@gmail.com

Points to remember:

Only structured abstract with subheadings - Introduction, methodology, results & conclusion will be accepted.

Total word count: 250 words (excluding title, headings and keywords), Font size: 12, Font style: Times New Roman

Research works from case series to meta-analysis will be considered for oral presentation.

Case reports will be considered for poster presentation only.

The submitted work should not be presented in any other conference or published.

All the submissions will be scrutinised for quality of work, novelty and their impact on society.

The scientific committee will scrutinise submitted abstracts for poster presentation selection and inform to the participants latest by 1st November, 2024.

Posters should be in landscape format, size 4 feet x 2 feet, should be submitted on 12th November 2024 to the organising committee members.

Only the first or principal investigator will be allowed to present the oral paper or poster (excluding some special circumstances)

The time limit for oral presentation will be 10 min + 2 min (Q/A) and for poster presentation will be 5 min + 2 min (Q/A)

For oral presentation kindly prepare a PPT file confining to 15 slides.

For oral presentation registration and physical presence of participant is mandatory.

e-posters are not considered for presentation.

Welcome Address

Dear Colleagues and Friends,

It is our honor and pleasure to invite you for the first of it's kind Trans-laboratory CME organized by Department of Transfusion Medicine, Trauma Central lab, Genetics & Genomics, Pathology & Microbiology in coalition, under the aegis of RIMS, Ranchi, Jharkhand. The theme of the CME is "Advancement in lab analysis: An Approach to Clinical diagnosis" which shall be conducted in offline mode.

There are specialty and subspecialty-wise Institutional bodies organising academic activities with themes focused on particular area of interest. This CME aimed to deliver integrative approach from laboratory side towards clinical diagnosis in addition to advancement in the recently introduced techniques in the laboratory sciences. This CME will provide a unified platform for all the laboratory practitioners (Institutional & Non-institutional) to share their experiences and expertise in their respective fields. We have an eminent list of speakers from recognised Medical colleges and Independent laboratories. We hereby assure a comprehensive learning experience and interactive panel discussions. The PGs who attend the CME will be extremely benefitted with credit hours (applied for), attractive awards/prizes/participation certificates in addition to gaining recent advancements. We encourage all the PGs and faculties to register and actively participate in competitions for oral/poster presentations.

The venue is sprawling campus of RIMS, Ranchi, Jharkhand, the city of waterfalls and serene natural beauty, surrounded by rugged rocky mountains and valleys.

We invite you all to experience the peaceful & serene beauty, lush green mountains, scenic waterfalls and RIMS, Ranchi which undoubtedly is going to leave you mesmerized and awestruck.

Save the dates and enjoy this brainstorming trans-laboratory academic feast and our hospitality.
