-The **Ecological Society, Rajendra Institute of Medical Sciences, Ranchi** is a venture established in our auspicious College for the beautification and conservation of our beautiful campus. The Society plays a key role in maintaining the scenic beauty of the campus and was established on **31st July, 2022** and is responsible for upholding plantation drives for a more greener environment.

-Our Chairman, **Dr. Rajeev Ranjan Sir (Assistant professor Anatomy)** who has been the most crucial part for the establishment of this Society; he has been a strong pillar and a vital confidant throughout.

-Our Society has marked its establishment by conducting a plantation drive on **31st July, 2022** for a greener and beautiful Rims campus.

-On the auspicious occasion of **Teachers day** we had announced our society logo.

-Along with this, we collaborated with **the Department of Cardiology**, for organizing a **Marathon** for spreading awareness about Heart related diseases and its care on the felicitous day of **World Heart Day, 29th September, 2022**. The Honorable State Health Minister, **SHREE BANNA GUPTA SIR** graced us with his presence and made this event a success.

-We have organized an online photo shoot competition of our campus **PIXEL'S**.

-The Society also has many future endeavors to enhance the prestige of our college such as setting **Dustbins** and **Benches** throughout the campus for a clean and comfortable space.

-Along with this, we will conduct many events on the idea of sustainable living and use of nature around us for our upcoming fest, **Palash**.

-We inculcate the motto of a greener and beautiful environment through our activities and are filled with gratitude for the cause we stand and hope to create harmony within our college.
