

**DEPARTMENT OF LABORATORY MEDICINE
RAJENDRA INSTITUTE OF MEDICAL SCIENCES, RANCHI**

Workshop Announcement: Evidence-Based Diagnostics & Diagnostic Test Meta-Analysis

The Department of Laboratory Medicine is pleased to announce a half-day workshop on **Evidence-Based Diagnostics and the Application of Diagnostic Test Meta-Analysis**. This workshop is designed to provide essential techniques for evaluating and synthesizing diagnostic test data, with a focus on meta-analysis principles. Participants will gain practical insights and hands-on experience with current methodologies that can enhance diagnostic accuracy and decision-making.

Workshop Details:

- **Date:** 5th September 2024
- **Time:** 2:00 PM to 5:30 PM
- **Venue:** 3rd Floor, Research Administration Cell, RIMS, Ranchi

Target Audience:

- Junior and Senior Residents, PhD Students, Researchers, Faculty Members, All Interested Candidates

Additional Information:

- **Entry:** Free (First come, first serve basis)
- **Seats Available:** 50

Speakers:

- **Dr. Anupa Prasad**, Additional Professor, Department of Biochemistry cum Head, Department of Genetics and Genomics
- **Dr. Amit Kumar**, Associate Professor and Head, Department of Laboratory Medicine
- **Dr. Sudipto Roy**, Senior Medical Officer, Department of Laboratory Medicine
- **Dr. Ranjita Kumari**, Senior Resident, Department of Laboratory Medicine

This is an excellent opportunity for those interested in advancing their knowledge and skills in diagnostic test analysis. We encourage all eligible participants to register early.

Your participation will be highly valued.
