Memo No- MRU/ RIMS/524/2023

dated: 09/10/2023

Call for proposals for conducting research work on non-communicable diseases at DHR-MRU, RIMS, Ranchi

Multidisciplinary research unit (MRU) RIMS, Ranchi under the Department of Health Research (DHR)/ICMR, Government of India, is inviting the research proposals from the Faculty, Scientist, MD, MS, PhD student of the institute and other government colleges/university for conducting research at DHR-MRU, RIMS, Ranchi.

The Research proposals would be screened & reviewed by the panel of experts followed by presentation in front of research advisory committee of DHR-MRU for max 10 mints.

The maximum grant for proposals can be no more than fifty thousand (Rs 50000/-). Consumables worth the approved research grant would be made available to the investigator for carrying out research at DHR-MRU & no fund shall be transferred to PI account. Fund for man power, travel, stationary & contingency will not be provided. Single proposals will be considered from an investigator. The staff of MRU would facilitate the investigator but the experiments to be conducted by the investigator himself or his/her student at MRU. It is mandatory to have a Co-PI & Co-mentor for the research proposals submitted. Research proposals should have translation value (publication/patent/product/technology).

The proposals are to be submitted in the ICMR format through the online via email mrurimsranchi@gmail.com latest by 31.10.2023.

Details of the facilities available in DHR-MRU are described on the RIMS web site. Furthermore, investigator has to submit consent for submitting the progress report for the approved proposals to the Nodal officer, MRU, RIMS, Ranchi.

Nodal Officer
MRU, RIMS Ranchi
