Sub: Rate contract for Array Genome wide Genotyping Service

Rajendra Insitute of Medical Science (RIMS), Ranchi is entering into a rate contract for Array Genome wide Genotyping Service (GSA version 2/3) for an ongoing research project funded by Department of Health Research (DHR) transferred from AIIMS New Delhi to RIMS. The rate contract is being finalized with M/s Sandor Life Sciences Pvt. Ltd. of Hyderabad at the rate of Rs. 2,875/- per sample (excluding GST) which is as per the rate decided by AIIMS New Delhi for this project through open tender process. If any person/company/organization has objection to this rate contract, they can send their concerns to "Director Office, Rajendra Insitute of Medical Science, Bariatu, Ranchi 834009" latest by 8th November 2021.
