Subject: Proposal for Standard F Analyser and Kits

Respected Sir,

We are pleased to introduce ourselves as Wiso Manufacturing Pvt Ltd, a company incorporated under the Companies Act, 2013 (18 of 2013) having its registered office at 3rd Floor, Plot No. 149, Sec -44, Gurgaon, Haryana, 122001, India. We are the Authorized Distributor of SD Biosensor Healthcare Pvt Ltd. Following are the advantages of Standard F Analyser and kits that will be useful for the citizens.

- 1- SD Biosensor FIA Devices (F 200/F 2400) can perform multiple tests in one device with ease of uses and fast test result which helps healthcare professional to take immediate decision about patient treatment. And very much useful in Ambulance for emergency.
2. No need for a separate room or infrastructure, machine can be placed at doctor table or separate table.
3. No need for a Lab technician, a skilled person trained by SD Biosensor or Wiso will be enough.
4. Kits can be store at 2 to 30 degree Celsius, therefore, no need for refrigeration machine.
5. Smaller pack size with Individual test packs avoids wastage of test and reduces overall Inventory cost.
6. Automatic calibration through 2D Barcode reduces calibration related errors, offers convenience and reduces overall cost test per test.
7. Reduced social cost: No need for 2nd visit of patient.
8. Fast results improves the outcomes in patients under critical conditions and helps you to reduce the spread of infectious disease.
9. As its giving immediate result so treatment also can be start in Trauma Center/Emergency.
10. Our all parameters are CE marked and DCGI approved.

We hereby ensure for the best quality and timely services of the product supplied by us. We have done our product demonstration and are submitting the asked document during the time of demonstration. Hope it will be satisfactory. If any other documents required please let us know. We will be happy to provide you.

Sincerely Yours,
For Wiso Manufacturing Pvt. Ltd
