**Subject: Price Increase for Dry Laser Films**

Dear Sir/Madam,

We are pleased to have been in business with you since the past so many years, overcoming hurdles of this COVID-19 pandemic and challenges together in unison. As you are aware the impact and outbreak of coronavirus (COVID-19) is continuing to impact people and countries around the world resulting in continuous rise in raw material and production cost, Import Cost such as Overseas Freight, Custom Clearance, Outbound and Inland Transportation and in India the Operation Cost has gone up badly such as Warehouse, Inter Depot Movement and further transportation due to spike in Fuel Surcharge and Other Logistic Cost.

In above mentioned scenario the growing expenses cannot be avoided and as you know well, we have never compromised the quality of our products even in the hardest of times. Unfortunately, we are left with no rational alternative but to increase our prices. We are confident, nonetheless, that you will find the quality of our products even in light of these new prices to be quite reasonable and competitive.

With effective from 1<sup>st</sup> October, 2021, we are increasing the Prices on all the Film Sizes by 10% for all our Customers PAN India.

We look forward to your cooperation in the process and hope to continue being in business with you in more years to come.

Thanking You,
