Advertisement No. DRD/2025/230

Date 03/04/2025

Project Title: Study of molecular representativeness of circulating tumor DNA from saliva and blood- A prospective multicentric observational study

Applications are invited from suitable Indian nationals for the appointment of Project Research Scientist-I (Medical), Project Research Scientist-I (Non-Medical) and Project Technicians. The appointment will be for one year and the position may be extended depending upon performance till the duration of the sanctioned post.

Principal Investigator: Dr. Sunil Shakya, Scientist-II, Department of Genetics and Genomics, RIMS, Ranchi

S. No.	Name of Post	Eligibility criteria	No. of Posts	Consolidated Remuneration	Upper Age Limit
1	Project Scientist-I (Medical)- Oral Pathologist	Essential: MDS in oral pathology with experience in slide review/ oral cancer research from a recognized institute. Desirable: Candidates with experience in slide review/ oral cancer research from a recognized institute will be given preference.	01	Rs. 67000+ 20% HRA = 80,400/- per month	35 years (Relaxable as per rules)
2	Project Scientist-I (Non-Medical)- Bioinformatician	Essential: First-class Master's degree in Bioinformatics. Or Second class Master's degree in Bioinformatics with Ph.D in Bioinformatics. Desirable: Candidates with experience in Next Generation Sequencing data analysis and cfDNA NGS data analysis, particularly proficiency in utilizing the ichorCNA tool, will be given preference.	01	Rs. 56000+ 20% HRA= 67,200/- per month	35 years (Relaxable as per rules)
3	Lab Technician (LT1)	M.Sc. Biotechnology/ Microbiology/ Life science + Experience in DNA sequencing from a recognized institute/ University. or 12th in Science + DMLT + Five Years' Experience in DNA sequencing from a recognized institute/ University.	01	Rs. 20000+ 20% HRA= 24000/- per month	28 years (Relaxable as per rules)

		Desirable: Candidates with experience in PCR/Sanger Sequencing/ NGS will be given preference.			
4	Lab Technician (LT2)	Three-year graduate degree in life science/ B.Sc. MLT + two years' experience in human sample handling and data collection/ M.Sc Life Science or 12th in Science + DMLT + Five Years' Experience in human sample handling and data collection Desirable: Candidates with experience in blood draw, human sample handling such as blood, tissue and Saliva, and clinical data collection will be given preference.	01	Rs. 20000+ 20% HRA= 24000/- per month	28 years (Relaxable as per rules)

*LT2 will be recruited in the above-mentioned project under the site Investigator **Dr. Narendra Nath Singh**, Professor and Head, Department of Oral Pathology & Microbiology and Forensic Odontology, Dental College, RIMS, Ranchi

Interested candidates may email us at sunilshakva21@gmail.com to apply for the post along with their Curriculum Vitae. The mail should reach us by 06-04-2025 (5:00PM), any mail reaching beyond the given date and time will not be entertained. Please email with the subject line "Application for the Post of..... (Name of the post)". Only shortlisted candidates, based on their desirable qualifications will be invited for the interview (Online/offline).

Important Note for Applicants:

1. Only those who have obtained a degree as a regular student will be considered.
2. CV should include date of birth, education and experience details.
3. Candidates must bring originals of certificates for verification when coming for the interview.
4. Applications received after the due date will not be entertained.
5. Only shortlisted candidates will be invited for the interview. No TA/DA will be given for the same.
6. Age relaxation may be considered for Jharkhand SC/ST/OBC/PWD candidates as per Govt. of Jharkhand rules. Experienced and skilled people who have worked on ICMR projects can be considered for age relaxation up to five years.
7. Any dispute will be addressed under the Jurisdiction of Ranchi court only.
