Subject:-Regarding purchase of Proprietary item for the project titled "*Genetic, Lifestyle and Tumor Characteristics as Prognostic Risk Factors for Recurrence of Oral Cancer: A Multicentric Case-Control Study*"

Respected Sir,

This is a kind notice to inform you that a proprietary item, Infinium Global Screening Array-24+ v3.0 Kit (48 samples), required for the project titled "*Genetic, Lifestyle and Tumor Characteristics as Prognostic Risk Factors for Recurrence of Oral Cancer: A Multicentric Case-Control Study*": *A Multicentric Case-Control Study*," sanctioned by the competent authority of RIMS under the Intra-Mural Research Grant (Letter No. DRO/2023/177 dated 14/06/2023).

Product and price information

Catalog #	Product description	Unit Price (INR)	Disc. Customer price	HSN/ SAC code	GST %	GST Am. Rs	Total Amt. Rs
20030773 Beadchip 20034606	Infinium Global Screening Array-24+ v3.0 kit (48 samples)	355777.58	171239.20	38221990.0	12	20548.704	191787.904

We propose to do rate contract for the same so that as samples are collected we can order the kit. Due to short expiry time, purchasing all together may not be feasible. I request you to permit for the same. I will be very grateful to you.

Report ID: GEM/GARPTS/04092025/UKW6QULA2EZN**Report Name:** Non availability certificate**Generated By:** Arpita Rai , Health Medical Education and Family Welfare Department Jharkhand**Generated On:** 04/09/2025**Valid till:** 04/10/2025**GeM Availability Report and Past Transaction Summary**

GeM Availability Report and past transaction summary report is generated based on the specifications searched by the Buyer. The specification may be modified appropriately for searching relevant categories on GeM. Buyer may navigate to GeM category page by clicking on the category link to view category specifications and products/services available in the category.

Order Count and Order Value displayed is on a cumulative basis since GeM inception.

1. Search String: Infinium Global Screening Array-24+ v3.0 kit

Search type: Product

1. There are categories available on GeM matching your requirements (as listed here). You can create a bid on GeM with a product closest matching your required specifications and add additional parameters in specifications through Corrigendum using RMS functionality.
2. If you feel that category TP needs updating you can submit category updating request also through RMS.
3. If you do not want to use any of the above option and want to proceed for procurement outside GeM, please suggest the specifications of the required product for creation of new category on GeM for future procurement.

Search Result: Category available/suggested on GeM but marked as "not matching requirements" by the buyer with undertaking as under:

It is certified that I have thoroughly checked all probable categories suggested by GeM and I am satisfied that the product required is not covered / does not fall in any of the suggested categories and can not be procured under any of these categories even after inclusion of List of Values(LOV) wherever possible in category specifications of suggested categories. It is also certified that the technical specification requirement are such that these can not be covered even by adding specification parameters using ATC in any of the GeM suggested categories. This is a one-time requirement hence new category creation is not proposed / or requirement is recurring but request for new category creation will be submitted separately post generation of GeMARPTS.

Estimated Value Of Procurement: ₹ 355777.58
